CHANGE FOR LIFE

The work of protecting life is never just for today—it is an investment in the future.

Over **250** lives were saved in 2025 – each one a future forever changed. What began as an act of compassion has become a legacy of life.

Because of you, hope lives on—in the lives saved today and in the generations that follow.

- 1 Take a bottle and fill it with change, bills and checks. Return it to your church on February 15th or call us to drop off your bottle.
- 2 Participate virtually at www.lifelinecoalition.org
- 3 Pray for abortion to be erased from our community. Text the word LIFELINE to 815-308-8058 and receive weekly texts with prayer requests for specific women in your community considering abortion. Prayer saves lives!
