

HOPE

lives on

CHANGE FOR LIFE

The work of protecting life is never just for today—it is an investment in the future.

Over **250** lives were saved in 2025 – each one a future forever changed. What began as an act of compassion has become a legacy of life.

Because of you, hope lives on—in the lives saved today and in the generations that follow.

PARTICIPATE

1

Take a bottle and fill it with change, bills, and checks. Return it to your church on February 15th or call us to drop off your bottle.

2

Participate virtually by giving online at www.lifelinecoalition.org. Make your gift now and save lives!

3

Pray for abortion to be erased from our community. Pray for women considering abortion even now.
